During this unique time with the coronavirus pandemic, we wanted to remind you about the Teladoc program available to employees and family members enrolled in our Meritain Health coverage. Teladoc is a great alternative to physically visiting a doctor’s office and potentially being exposed to the virus, while still getting quality care. Attached is a flyer with details about the program and instructions on how to access Teladoc.

Teladoc can be used for non-life-threatening/non-urgent care such as:
- Cold & Flu Symptoms
- Allergies
- Ear Infections
- Pink Eye
- And More...

A few benefits of using Teladoc include:
- **Teladoc saves you money!** Your Teladoc copay is only $15! Your office visit copay is $30, and your urgent care copay is $50.
- **Teladoc is convenient!** Teladoc visits can be completed wherever you have a phone or internet connection: at home, your office, a hotel, even your backyard.
- **Teladoc saves you time!** With Teladoc you will not have any travel time or time sitting in a waiting room. Teladoc offers access to U.S. Board Certified doctors 24 hours a day, seven days a week.
- **Teladoc keeps you safe!** Teladoc visits do not require you to go to the doctor’s office. This can help reduce your risk of exposure to coronavirus or other illnesses while traveling or sitting in a waiting room.

You can also find more information about Teladoc and the coronavirus by visiting their website at: [https://www.teladoc.com/coronavirus/](https://www.teladoc.com/coronavirus/)

We believe Teladoc is a very valuable benefit for you and your family during the coronavirus pandemic and beyond. We strongly encourage you to take advantage of the program!

Stay safe and healthy!
